

# Nesma El-Sousi , Full-Stack Developer

📍 Gaza, palestine ✉ n.elseoy@gmail.com ☎ +972-592-015-235 🔗 in\nesma-al-sous

## PROFESSIONAL SUMMARY

Resilient Full Stack Developer and recent Computer Systems Engineering graduate with hands-on experience in building dynamic web applications using PHP, Laravel, MySQL, HTML, CSS, Bootstrap, and Tailwind CSS. Overcame challenging circumstances during studies, which strengthened my determination, adaptability, and problem-solving skills. Experienced in developing RESTful APIs, managing databases, and creating responsive user interfaces. Passionate about clean, efficient code and eager to contribute to innovative software solutions.

## EXPERIENCE

### Front-End Developer

Personal & Academic Projects

August 2023—October 2023, Gaza, palestine

- Built multiple front-end projects using HTML, CSS, and JavaScript with a focus on clean design, responsive layouts, and intuitive user experiences.
- Led front-end development of a university e-commerce site: implemented product pages, shopping cart, checkout flow, client-side validation, and interactive UI components to streamline the purchase journey.
- Developed reusable, maintainable UI components and optimized assets to improve performance and cross-device consistency.
- Collaborated with peers to integrate front-end interfaces with back-end APIs, ensured cross-browser compatibility, and followed accessibility best practices.

### Junior Backend Developer

University Team

November 2024—January 2025, Gaza

- Developed and maintained server-side applications using PHP and Laravel.
- Designed and managed databases using MySQL.
- Built and integrated RESTful APIs.
- Implemented CRUD operations and optimized database queries.
- Collaborated with frontend developers to integrate user-facing elements..

## EDUCATION

### Bachelor of Engineering in Computer Systems Engineering

Al-Azhar University – Gaza

Expected 2026
